

HAN AL HIGH SCHOOL VISUAL ARTS ACADEMIC PROGRAM THE BENEFITS OF OUR UNIQUENESS AROUND

Within Bergen County, New Jersey, Han Al High School offers the only visual arts, full-time academic program on the secondary school level. Not only is our program a stand-alone in the region, our uniqueness rivals many of the renowned high schools offering this course of study in the Tri-State area. Our most notable attributes, just to name a few are:

- Guaranteed acceptance into art colleges/universities for students entering our school as 9th or 10th graders
- 3:1 Student to faculty ratio. Small class sizes of this nature provides individualized instruction to all students
- Individualized instruction will embrace a rich gamut of traditional and progressive visual arts courses and modalities such as, but not limited to: Advance Painting, Art History, Advanced Placement (AP) Art History, Basic Printmaking, Digital Media Design, Pen & Ink Illustrations, Realistic Drawing, Sculpture, Studio Practice (Basic Drawing), Studio Practice (Basic Painting in Water-Based Media), Studio Practice 4 (Basic Painting – Oils & Acrylic), & Watercolor Painting
- Extensive portfolio development for both college and career placement
- Participation in the nationally celebrated PI Art Center of Fort Lee, New Jersey's Summer International Portfolio Art Camp. This is a joint venture partnership
- Student art exhibited in prestigious N.Y.C. Chelsea-area art venues
- Participation in art competitions in local, state and national levels
- All students enrolled in our school by April 15, 2018 will receive a complimentary MacBook
