

Mission Statement

The mission of The Hanal School is to provide a rigorous well-rounded college preparatory education to equip our students for an ever-changing world.

We seek to create a learning community where great ideas are read, discussed and lived by; where discipline is a trait to be developed and honored; and where a life of service is seen as the highest calling.

Academics

Our school emphasizes literacy based—cross curricula studies. In addition, students actively participate in our acclaimed Fine and Performing Arts and STEM Programs.

At The Hanal School, we encourage our students to explore the benefits of community service. Our annual service-trip to our sister school in Guatemala allows Hanal students to participate in activities such as reading to the elementary students and painting classrooms.

Hanal students learn the value of being socially responsible through community service.
